

Introduction to a Natural Diet

Three Weeks to a Healthier Dog

Presented by

Mary Ferentino, Good Dog Training Center

Laurie S. Coger, DVM, CVCP

What are you putting in your best friend's bowl? What's the best food for your dog? Get the real story on foods and feeding your dog. Plus, find out the secrets to keeping your dog healthy from a wholistic veterinarian and a successful dog trainer/ breeder.

Allergies, ear and skin conditions, dental problems, and worse? Poor nutrition is the often the underlying cause! In this three-week course, we'll show you just how easy it is to feed your dog a natural diet for optimal health. We'll teach you exactly what you need to know and we'll help you make a smooth transition to a healthful natural diet, including food sources, supplements, and common feeding plans.
